

**ABERDEEN** Gift Card

# TILL POINT PAYMENT GUIDE

## Process payment as a Debit Mastercard

The Aberdeen Gift Card will not work if the gift card option is selected at checkout, so remember to process the payment as you would with a regular debit card.

Simply swipe or enter the card number to take payment

## WAS THE PAYMENT DECLINED?

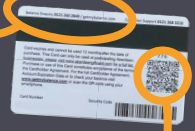

Make sure you selected the correct payment method

## Ask the customer to check their balance

This can be done easily by either scanning the QR code or calling the Balance Enquiry number on the reverse of the card
